Supporting Those In Need

2023 was another amazing year!

Delilah K's Helping Hands provided:

- Dozens of hygiene packages to homeless in the Boise metro area
- Forty backpacks full of school supplies to the Boys & Girls club and local Treasure Valley children and families
- Seven full Thanksgiving meals to families in need throughout Southern Idaho
- Support for Ronald McDonald House in Boise throughout the year; donation of food items and several hours of time volunteered cleaning around the house
- Dozens of books for Delilah K's sponsored Little Free Library in Boise
- Snacks for the local fire department
- Several anonymous coffees and dinners purchased for random community members to brighten their day (acts of kindness)

Recognition In The Community

Delilah was recognized as a recipient of the annual Mayor's Youth Award in Kuna Idaho for her exceptional community Service.

Looking Ahead

Our goals for 2024 include:

- Seeking a new Treasurer to sit on the Board of Directors
 - This was an item we had put on hold last year and are moving forward with this year
- Having a more robust and organized budget and donation tracking process and system (once the new Treasurer comes on board)
- Continue seeking out new ways to connect with the community, partner with businesses or other non-profits, and connect with/reach more people in need
- Continuing to volunteer time at the Ronald McDonald House
- Continuing to expand in the areas of providing assistance to ill or injured children and their families, and animals in need
- Beginning to partner with local veterans organizations to provide assistance to local active or former military members and their families and/or support their organizations causes

Spread hope
